UHF works to build a more effective health care system for every New Yorker. An independent, nonprofit organization, we analyze public policy to inform decision-makers, find common ground among diverse stakeholders, and develop and support innovative programs that improve the quality, accessibility, affordability, and experience of patient care. To learn more, visit [www.uhfnyc.org](http://www.uhfnyc.org) or follow us on Twitter at [@UnitedHospFund](https://twitter.com/UnitedHospFund).
